PROCESSION OF MINISTERS AND CLERGY

Please stand.

Te Deum Isele

*You are God: we praise you;
 You are the Lord: we acclaim you;
 You are the eternal Father:
 all creation worships you.
 To you all angels, all the powers of heaven,
 Cherubim and Seraphim, sing in endless praise;
 "Holy, holy, holy Lord, God of power and might,
 Heaven and earth are full of your glory."*

*The glorious company of apostles praise you.
 The noble fellowship of prophets praise you.
 The white-robed army of martyrs praise you.
 Throughout the world the holy Church acclaims you;
 Father of majesty unbounded, true and only Son,
 Worthy of all worship, and the Holy Spirit,
 advocate and guide.
 You, Christ, are the King of Glory, eternal Son
 of the Father.
 When you became man to set us free*

*You did not disdain the Virgin's womb.
 You overcame the sting of death and opened
 the kingdom of heaven to all believers.
 You are seated at God's right hand in glory.
 We believe that you will come, and be our judge.
 Come then, Lord, sustain your people,
 bought with the price of your own blood
 and bring us with your saints to everlasting glory.*

*Save your people, Lord, and bless your inheritance.
 Govern and uphold them now and always.
 Day by day we bless you;
 We praise your name forever.
 Today, Lord, keep us from all sin.
 Have mercy on us.
 Lord, show us your love and mercy.
 For we put our trust in you.
 In you, Lord, is our hope, may we never
 be confounded.*

AMEN.

LITURGY OF THE WORD

READING I *(read in Spanish)*

Exodus 34:4b-6, 8-9

Please be seated.

Early in the morning Moses went up Mount Sinai as the LORD had commanded him, taking along the two stone tablets.

Having come down in a cloud, the LORD stood with Moses there and proclaimed his name, "LORD." Thus the LORD passed before him and cried out, "The LORD, the LORD, a merciful and gracious God, slow to anger and rich in kindness and fidelity." Moses at once bowed down to the ground in worship. Then he said, "If I find favor with you, O Lord, do come along in our company. This is indeed a stiff-necked people; yet pardon our wickedness and sins, and receive us as your own."

HOMILY

Rev. John I. Jenkins, C.S.C.
President of the University

*Please be seated.***PROFESSION OF FAITH***Please stand.*

We believe in one God,
the Father, the Almighty,
maker of heaven and earth,
of all that is seen and unseen.

We believe in one Lord, Jesus Christ,
the only son of God,
eternally begotten of the Father,
God from God,
Light from Light,
true God from true God,
begotten, not made,
one in Being with the Father.
Through Him all things were made.
For us and for our salvation
He came down from heaven:

*All bow at the following words
up to: and became man.*

by the power of the Holy Spirit
He was born of the Virgin Mary,
and became man.

For our sake He was crucified
under Pontius Pilate;
He suffered, died, and was buried.

On the third day He rose again
in fulfillment of the Scriptures;
He ascended into heaven
and is seated at the right hand of the
Father.

He will come again in glory
to judge the living and the dead,
and his kingdom will have no end.

We believe in the Holy Spirit,
the Lord, the giver of life,
who proceeds from the Father
and the Son.

With the Father and the Son
He is worshipped and glorified.
He has spoken through the prophets.

We believe in one holy catholic
and apostolic Church.

We acknowledge one baptism
for the forgiveness of sins.

We look for the resurrection of the
dead,
and the life of the world to come.
Amen.

Gift of Finest Wheat

Bicentennial

You sat - is - fy the hun - gry heart With
gift of fin - est wheat; Come give to us, O
sav - ing Lord, the bread of life to eat.

1. As when the shepherd calls his sheep,
they know and heed his voice;
So when you call your family, Lord,
we follow and rejoice.
2. With joyful lips we sing to you
our praise and gratitude,
That you should count us worthy, Lord,
to share this heavenly food.
3. Is not the cup we bless and share
the blood of Christ outpoured?
Do not one cup, one loaf, declare
our oneness in the Lord?
4. The mystery of your presence, Lord,
no mortal tongue can tell:
Whom all the world cannot contain
comes in our hearts to dwell.
5. You give yourself to us, O Lord;
then selfless let us be,
To serve each other in your name
in truth and charity.

Arioso J.S. Bach

Steal Away African-American spiritual, arr. Carter

Steal away, steal away, steal away to Jesus!
Steal away, steal away home, I ain't got long to stay here.
My Lord, he calls me, He calls me by the thunder;
The trumpet sounds within my soul; I ain't got long to stay here.

Academic Attire

Ceremonial garments worn at academic functions take their meaning from the original centers of learning of the Western world in the Church of the Middle Ages. Caps, hoods and gowns of the early students and monks have been held through the centuries to be traditionally symbolic of the scholarly devotion so basic to education and to the deliberate and orderly evolution of knowledge.

The introduction of classical studies, the gradual rise of the great universities across Europe, and the ever-increasing awareness of the decisive role of education in the entire development of civilization influenced leaders among academicians in their desire for a singular identity. In the attempt to create this differentiation, educators fell upon the medieval system of classic heraldry, whereby the coat of arms, assorted ornamental trappings, and patterns of colorful design had been adopted to denote the distinctive character of designated chivalric orders. The function of “pedagogical heraldry” became, then, simply identification. As such, measures were taken to signify through distinctive markings on the academician’s attire the institution that had granted the degree, the field of learning in which the degree had been earned, and the level of the degree—bachelor, master or doctorate.

Of the three pieces of academic attire, the cap, the gown and the hood, it is the hood that offers the most abundant and most readily discernable information about its owner. The inner lining of the hood identifies the institution at which the individual earned the degree. Some schools have adopted two-color patterns and introduced chevrons and bars in various designs to set themselves apart from other institutions. The velvet trim bordering the hood indicates the major field of learning, or faculty, in which the degree has been earned. The list at the conclusion of this section will explain this relationship. A final feature of the hood concerns its length and width and distinguishes further between holders of bachelor’s, master’s, and doctor’s degrees. The length of the hood for the bachelor’s degree is three feet, closed at the bottom, and the velvet border is two inches. At Notre Dame, those

receiving a bachelor’s degree do not wear a hood. A master’s degree holder has a hood three and one half feet in length with a three inch wide border, and is slit at the bottom. Those individuals with a doctorate degree wear a hood four feet in length, open at the bottom, with a five inch border.

The gown is usually black in color but some American universities, including Notre Dame, have adopted distinctive colors for their robes. Notre Dame doctorate degree robes are blue, reflecting one of its official colors.

The cut of the gown aids in differentiating between the three levels of degrees. The bachelor’s gown is relatively simple and falls in straight lines from an elaborate yoke. It may be recognized most readily by the long, pointed sleeves. The master’s gown is somewhat fuller and bears no adornment. The sleeves are oblong in shape and open at the wrist, with the rear part of the oblong square cut while the front edge has a cutaway arc. The doctor’s gown is more elaborate with velvet panels down the front and around the neck of the garment. The sleeves are bellshaped at the end and have three bars of the same material as the front panels at the upper portion of the arm. It is cut rather full and may be ornamental in color. Notre Dame’s doctoral gown has royal blue velvet front panels with the University’s shield embroidered in gold. The royal blue sleeve chevrons are outlined in gold.

The mortarboard or Oxford-type cap has been adopted throughout most universities in the United States, although Notre Dame’s doctoral cap is a royal blue tam. Colored tassels are usually worn by holders of the bachelor’s and master’s degrees. These denote the field of learning. The list on the next page indicates the tassel colors. Gold tassels are reserved for those with doctorate degrees and governing officers of educational institutions.

Processional Banners (Gonfalons)

The gonfalon, a banner that hangs from a crosspiece or frame, originated in the medieval republics of Italy as an ensign of state or office. Gonfalons have been adopted in many universities around the world as college or institutional insignias, and many use them to identify and lead colleges and schools within the university in academic procession. The nine gonfalons represent the University and the eight colleges and schools of Notre Dame.

The lower half of the gonfalon consists of a shield with a clear blue field and a cross of gold. This is part of the armorial seal designed by Pierre de Chaignon la Rose of Harvard in 1931. The heraldic colors (gold and blue) are symbolic of the Mother of God, to whom, Father Sorin first dedicated Notre Dame. At the shield's base are two wavy lines (indicating the *a Lacu*, "of the Lake," in the University's official title), and above them to the left is a star, another emblem of the Virgin, Star of the Sea. The cross represents the Congregation of Holy Cross, which founded Notre Dame; an institution of learning is denoted by the open book. The phrase "*Vita, Dulcedo, Spes*," taken from the ancient prayer to the Virgin, the *Salve Regina*, celebrates her as "life, sweetness, and hope."

Gonfalons designed by Paul Wieber of Notre Dame's Media Group, commissioned by Watra Church Goods, Chicago, and manufactured by Slabbinck of Brugge, Belgium.

THE PRESIDENTIAL MEDAL

The Presidential Medal was introduced at the inauguration of Notre Dame's 16th President, the Reverend Edward A. Malloy, C.S.C. The medal, struck in bronze and plated in gold, was made by the Medallic Art Company, Danbury, Connecticut.

The seal of the University forms the center of the medal and is mounted in relief against a larger cross representing the Congregation of Holy Cross, the religious community which founded the University in 1842. In traditional heraldry, the shield unsupported and central in the seal is appropriate for an institution of learning. At the base of the shield are two waves which symbolize the waves of St. Mary's Lake on whose shores the university was founded. In the upper left, the six-pointed star, considered the perfect form, signifies "Star of the Sea," a title accorded the Virgin Mary for whom Notre Dame is named. A cross symbolizes Christianity. The open book, emblematic of education, is inscribed with the Latin words, "*Vita, Dulcedo, Spes*," or "Our Life, our sweetness, and our hope." These words, first addressed to Our Lady by Saint Bernard, are taken from the familiar prayer, "*Salve Regina*," or "Hail Holy Queen."

THE UNIVERSITY MACE

The academic scepter, or mace, was one of the earliest distinctive signs of medieval university officials. The mace was originally a wooden staff carried by royal messengers. The early wooden staff on the university beadle, a subaltern official, evolved in the 14th century into an elaborate silver mace. It was carried by the beadle during processions and graduation ceremonies, and was displayed as a symbol to command order during classes. In the 15th century it became symbolic of academic dignity. An essential part of the mace was the staff or cylindrical rod (*tibia*), originally a tube of silver filled with wood or some other base materials. The staff, divided into several sections, was held together by a ring-shaped excrescence (*nodus*). The staff was crowned with a bell-shaped head (*caput*); at the base was a finial (*membrum terminale*).

The Notre Dame mace was designed and executed by the late Rev. Anthony Lauck, C.S.C., professor emeritus of art, art history and design. The bronze *caput* repeats the University seal found on the Presidential Medal, but brings the star outside the shield where its separate rendering emphasizes the patronage of the Virgin Mary. Its shaft is in walnut and the star and the finial, bear the University colors gold and blue.
